

Inflators

## MI 05 - metal dunnage bag inflator

### Description:

This MI 05 metal inflator is an advanced air tool option with a digital manometer built in. It also has a venturi shut-off on the back-end inflation speed, which reduces inflation time and labor costs.

- Longer life time – full aluminum body which makes it durable
- Light weight aluminum
- High inflation speed reduces inflation time and labor costs
- Easy to in- and deflate

(Important note: Measures and weights without engagement. We reserve the right to change technical details.)
