

Inflators

MI 17 - high speed dunnage bag inflator

Description:

This MI 17 aluminum filling adapter with a black plastic cap is an effective air tool for a cheaper price. It has a venturi shut-off which allows you to effectively fill your dunnage bag (to ca. 1.2 PSI in a 12" void).

- Longer life time – full aluminum body which makes it durable
- Light weight aluminum
- High inflation speed reduces inflation time and labor costs
- Easy to in and deflate
- A little louder than the premium versions

(Important note: Measures and weights without engagement. We reserve the right to change technical details.)
