

Tensioning devices

Manual tensioner SPT40 for one way webbing up to 32mm wide

Our manual tensioners are low cost and easy to use lashing tools. They allow tension to be applied in an easy, fast and ergonomic manner. With our tensioners a high pre-tension can be achieved.

The main advantages are:

- High quality steel body with hardened parts
- Durable
- Economic, low costs
- Easy to use

- For webbing : up to 32 mm wide
- Weight : 2.5 kg

(Important note: Measures and weights without engagement. We reserve the right to change technical details.)
