## DIN763 link chain

- **Notes:**  
long-link C-shaped chain, not calibrated, not tested, not suitable for lifting loads!
- **Material:**  
Steel Q235
- **Standard packaging:**  
30 m lengths in bags or boxes
- **Finish:**  
electro-galvanized; natural black, hot-dip galvanized; electro-galvanized plus additional powder-coated

Size	d	Inside Length t		Outside Width b		Working Load	Test Load	Breaking Load	Weight per m
mm	+/- mm	mm	+/- mm	mm	+/- mm	kg	N	N	kg
2	0.5	22	1	8	0.4	25	800	1,250	0.06
